

Shenandoah County Historical Society

Nomination Form for a John H. Adamson Excellence in Historic Preservation Award

In 2024, the Shenandoah County Historical Society will once again give a maximum of three awards that honor significant works of historic preservation completed within our County in the recent past. The Society believes that showcasing accomplishments that lie within the general preservation categories of History, Architecture, Material Culture (includes textiles, documents, folk art, photographs, tools, and more), and/or Scenic Beauty will bring about greater awareness of the value of historic preservation and may encourage others to follow the examples of those being recognized. The historic objects or materials must be at least 60 years old.

Please use a separate nomination form for each preservation effort you wish the Society to consider for an award. Submit additional information: photos/visuals; publication information if applicable; and other documentation. An electronic version of this form is available by request to: schs.va@gmail.com. **Nominations must be received by April 1.** Send forms to: SCHS, P. O. Box 506, Edinburg, VA 22824.
